Designer from Cali, Colombia, based in Miami. I work across brand identity, print, editorial and digital, and I can take a project from concept to production, including the code. Red Dot and Indigo award winner.

EXPERIENCE

Founder, brand & event design · Colectivo Under, Savannah GA — 2023–Now

- Founded an underground house music collective in Savannah and grew it to 1,000+ attendees and $20K+ in revenue.
- Built the brand identity and designed every flyer, artist card and piece of social content.
- Ran the Instagram marketing campaigns that drove attendance; curated lineups, produced events and handled lighting.

Independent product designer & developer · Redline, Club de lo Roto, client tools — 2025–Now

- Designed and built Redline, inventory software for a motorcycle dealership that cut listing a part from about a dozen manual steps to under a minute; 150+ listings.
- Founded Club de lo Roto, a Miami repair event series: brand identity, social, a bilingual website and an app in progress.

UX intern, led product design · Ooln (now Wendy), AI trading co-pilot — 2025

- One of two designers working directly with engineers and the CEOs; designed the Chrome extension, logo and brand, landing pages, teaser trailers, flyers and pitch decks.

Head of visuals & design · Misfits, audiovisual studio, Cali — 2022

Media & marketing intern · KTM North America, Junior Racing Program — 2018
